

MINUTES OF THE SPECIAL TOWN BOARD MEETING

Tuesday, October 11, 2022

UNAPPROVED

The Special Town Board Meeting in the Town Office was called to Order by Chairman Renz at 5:06 and a Roll Call was done to establish a Quorum with Jim Frint, Eric Neff and Seana Frint. Dave Scully was absent. Transfer Site employees Bob Simonsen and Dale Koski were also in attendance as well as Jeff Hong of the Public Works Department. Clerk Bourassa verified notice.

A motion was made (Neff/J. Frint) to approve the Agenda. Voice vote taken, motion carried.

Dave Scully arrived at 5:10pm.

Discussion was held regarding operations at the Transfer Site. The Transfer Site employees expressed concern about the placement of the slab for cardboard baler and the heated shack. They also have concerns about the snowplow's access at the site. The board would like all traffic to use "Lane 1" (south side of building between the recycling and garbage compactors (rather than driving thru the building). Dave Scully thought moving the shack shouldn't be a problem. He will go to the Transfer Site tomorrow morning and meet with Zach and Dale and Jeff J. and Jeff H. to work out a solution. It was proposed that the change in routing traffic start November 1st and they use this route for the winter months to see if it helps with the traffic flow.

The board met with department heads, Jeff Jordheim, Brock Frierhood and Brett Frierhood to discuss their budget requests for 2023.

A motion was made (J.Frint/S.Frint) to adjourn. Voice vote taken, motion carried.

Meeting adjourned at 8:50pm
