

## **MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE**

March 11, 2019

Members present were Greg Martin, Tom Emerson, Mark Holm, Jim Frint  
Greg presided in absence of chair Don Dealing  
Meeting called to order at 9:04, quorum established  
Motion (Emerson/Frint) to approve minutes of 2/18/2019, passed

### **Interview results for South Shore Bridge project**

During February, committee had interviewed candidates for engineering firm for South Shore Bridge and submitted results to township. We were pleased to receive from Matt Van Natta, Wisconsin DOT, approval for our consultant selection of Cooper Engineering. A design scoping meeting will be set up with Cooper.

### **Road management plan**

Motion by Holm, second Frint, discussed and passed unanimously:

*The RROW Committee recommends that the town board pro-actively communicate with Morgan and Parmley to commence work on a three year Road Management Plan as previously set forth in committee minutes of February 11, 2019.*

### **WisDOT request for two year road plan**

Discussion of the WisDOT request including concerns about accuracy of WISLR information, scope and content required for the report, weather's effect on timing of the report, and rating of the roads. Jim will compile a list of roadwork needs in the township for further discussion and possible inclusion in the report.

Special attention to potential problems in handling of tree removal along Denver road.

Motion by Martin, second Frint, discussed and approved unanimously:

*In response to two year road plan request by WisDOT, the RROW Committee recommends that the town board contact and communicate directly with The Forestland Group Wisconsin Northern Highlands management to discuss timber removal along Denver Road.*

### **Motion to adjourn**

Frint/Emerson, passed; meeting adjourned 10:31AM

Respectfully submitted Mark Holm, recorder
