

MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE

June 8, 2020

Members present were Don Dealing, Eric Neff, Greg Martin, Mark Holm, Eric Polkoski
Also present was Ted Eastlund as observer
Meeting called to order at 8:58AM, quorum established
Motion to approve minutes of 2/10/202 passed without change (Martin/Dealing)

The Roads and Right of Way Committee welcomed Eric Neff as newly appointed member and town board liaison, replacing Tom Emerson who moved to New Richmond.

South Shore Bridge

Review of option #4 as proposed by Jacob Friberg of Cooper Engineering. Committee spoke to Jacob by speaker phone:

- Abutments are subject of 10 foot limit for non-standard
- Bridge will be 58 feet in length using girder construction to avoid raising the roadway
- Road closure during construction is estimated 6-8 weeks
- Anticipate 20 year lifespan of concrete deck, 60-80 year total lifespan of bridge

Motion by Holm, second Martin:

The RROW recommends to the town board adoption of Option #4 as proposed by Jacob Friberg of Cooper Engineering. Refer to Plan of Proposed Improvement South Shore Road over Eau Claire Lakes Design Specifications, Structure B-4-124, plot date 5/13/2020.

Motion passed unanimously

Projects for 2020

Eric Polkoski updated the committee on 2020 projects

- Work has begun on Denver Road
- Scrub seal on Barnes road will begin soon
- Work on East Robinson Lake Road will depend on gravel budget
- Other normal shoulder and spot work will continue
