

LAKE COUNTRY ATV MEETING MINUTES
AUGUST 13th, 2013

The meeting was called to order by President Loren Bohl at 7:00 pm at Doorns Inn. There were 5 members present.

The treasurer's report was read by Gary Scharlau and approved.

Gary Scharlau made the motion and Dave Pederson 2nd to pay two young volunteers that brushed the trails for the club. Normally this is volunteer work but the club is hoping this will help to encourage younger members to participate.

There will be a meeting Thursday, August 15th in Washburn for grading the National Forest. The proposed grading will be done from Barnes north to Iron River. Also from Barnes east to Drummond.

There was a discussion on changing the trail behind the Northwoods Tap which was bought by BAHA. They have concerns with the trail going through the parking lot. The club will look into options to reroute the trail.

Respectfully Submitted,
Gary Scharlau
