

TOWN OF BARNES
ROADS AND RIGHT OF WAY COMMITTEE November 2, 2015

Meeting called to order at 1:00 PM

Present were Bob Lang, Tom Emerson, Dan Stein, Greg Martin and Don Dealing. Also present were Tom Krob and Donna Porter.

Motion to accept minutes from August 5, 2015 by Martin/Stein. Passed.

A discussion of the Lake Road Project regarding the shoulder width was held. The grant application to the State specified 2 foot shoulders and during the recent planning phase it appears 4 foot shoulders would be preferable. We also discussed what the starting date for construction should be.

At 2:00 Zech Gotham of Morgan and Parmley was called and teleconferenced with the Committee. We discussed the above issues. Morgan and Parmley will submit a proposal for engineering services through the end of the project by November 13. No recommendations were made at this time – we will discuss these issues further at our next meeting. Teleconference call ended at 2:25

Bob Lang gave a list of the future road maintenance and improvement project previously approved by the Town Board.

A discussion of road patch material was held with no recommendation for any changes.

Meeting adjourned at 3:23.

Next meeting Monday, November 16, 2015

Respectfully submitted by Don Dealing, Chair
