There was a discussion on the Barnes ORP (Outdoor Recreation Plan) 2016-2020. The February 16 draft was read and changes and corrections were made. Motion to approve Mary/Linda. (C) Thank you to Susan for all her work organizing and typing .

Tom Krob gave an update on the land acquisition behind our current town park.

On May 20, 2016 the Gordon Camp will be here to fix and paint the skating rink.

Fund raising possibilities were discussed where money could be used to develop more skiing areas, benches and develop a green corridor in Tomahawk Park. We could also solicit donations. Motion by Susan/Jill to pursue fund raising ideas. (C)

Update on business sign posts in town. They should all be uniform. Perhaps there would be a need to approach businesses and maybe the Gordon Camp could help with construction. Current locations are Hwy. 27 and Lake Road, Hwy. 27 and South Shore Road and County N and Lake Road.

There was a discussion that perhaps we should get a couple more and larger signs for the Town Park of "No Dogs Allowed in Park". Motion by Donna/Susan. (C)

There will be spring inspection for the parks on April 27, 2016 at 10 am starting at the town park by the town hall.

We had a discussion that we should establish a regular meeting date for Parks and Rec. It will be the First Thursday at 9 am at the Town Office.

Motion was made by Jill/Susan to adjourn. (C)

Respectfully submitted by:

Marcia Wellnitz, Secretary
