

Transfer Site and Waste Management Committee Minutes of the March 27th, 2102 Meeting

Meeting was called to order at 2pm. Present were Mitch McGee, Bob Lang, Gene Ratzel, Susan Pagnucci, Greg Martin, and Jim Olesen.

Lang nominated Mitch McGee to be Committee Chair. Martin seconded. Unanimous vote for McGee.

Ratzel stated that the Committee is subject to the same laws and rules as the town board.

The committee discussed the wording of the mission statement. The proposed statement is:

The Mission of the Transfer Site & Waste Management Committee is to develop best practices for the use of the Transfer Site, design a traffic flow pattern for drop off of garbage and recyclables, and address the management and disposal of hazardous waste materials for the town.

There was some background discussion about concerns with the present situation at the Transfer Site. There was discussion about current practices and dumpster locations. There was some discussion about signage, seasonal usage, and hours of operation.

It was decided to meet at the Transfer site on Wednesday, April 4th at 8am to observe present traffic patterns and problems. The committee will then meet that afternoon at 2pm at the town hall to discuss their observations.

The meeting was adjourned at 3:25pm

Respectfully submitted,
Bob Lang
